“ Without studying at the UTC I would never have known my chosen career even existed. Liverpool Life Sciences UTC has given me a broad understanding of the health sciences sector which means I've been able to make an informed choice. Adam Waggott, Liverpool Life Sciences UTC, Higher Level Apprentice, Unilever

“ I'm delighted to be getting started on my career with a company and role that is really exciting and just what I want. Lincoln UTC gave me the confidence, qualifications and experience to secure my apprenticeship and I'd recommend it to anyone who is interested in science and engineering. Libby Brooks, Lincoln UTC, Apprentice, Dynex Semiconductor

“ UTCs play an important part in meeting the needs of employers and providing brilliant career opportunities for young people. Allan Cook CBE, Chairman, Atkins Global
